

Individual Coaching for Effective Presentations

Will you have to give an important presentation in the near future? Would you like to make sure that the presentation is a success? Then get yourself a coach.

The success of a presentation strongly depends on your preparation. You need to watch both for its contents and its delivery. Thomas Skipwith can help you as a coach to make sure that both meet the requirements of today's business arena. He can also provide you with video feedback.

What are the objectives?

The objectives of the coaching are discussed individually with you - the client.

What are areas for discussion?

Preparation:

- Collection of materials
- Development of the presentation
- Structure
- Design
- Place
- Audience analysis

Delivery:

- Do's and don'ts
- On-site-coaching
- How to deal with nervousness
- Video feedback
- Body language
- Use of presentation media
- Questions and answers

Follow up:

- Lessons learned
- Progress chart

Who will benefit?

Members of the board, supervisors, team leaders, team members, customer representatives, trainers, coaches.

What is your investment?

The investment for a coach is CHF 290.- per hour, CHF 190.- per hour for editing and reviewing of written materials, CHF 80.- per hour for traveling outside of Zurich.

Who is your coach?

Thomas Skipwith, MBA, European champion of public speaking 2007
